Fireside Dr. West of Split Rail Drive		Fox Ridge Dr.
Hearthstone Dr. West of Split Rail Drive		Heritage Acres Dr.
		Heritage Way

Thank you for your patience while we enter the last two phases of our road improvement plan for 2026.

I will be notifying the Webb City School District of this change so that they can change any summer school bus routes in our area. If there happens to be medical emergencies in our neighborhood during this work, emergency services will always have priority over road work and our crews know and respect that authority to let them through.

Dates are subject to weather delays and rescheduling. Please plan ahead, by determining an open street or neighbors to park prior to start dates and times you are affected. Check the Heritage Acres Website and Heritage Acres Facebook for updates or contact Bruce Stockton with other questions 417-437-4037.
